ORDER PACKET

Contract#APTS-21-S-GMV

**Intelligent Transportation Systems (ITS)/Technology
Solutions for Public Transit**

CONTRACT #APTS-21-S-GMV

ORDER PACKET FOR GMV Syncromatics

General Information

The Transit Research Inspection Procurement Services Program (TRIPS) issued Proposal #APTS-21-S-GMV to establish a series of state contracts for the purchase of Intelligent Transportation Systems (ITS)/Technology Solutions for Public Transit.

This Order Packet is for Contract # APTS-21-S-GMV, which was awarded to GMV Syncromatics **DATE** to provide Intelligent Transportation Systems (ITS)/Technology Solutions for Public Transit.

This Order Packet contains the necessary instructions and forms for agencies to place an order with GMV Syncromatics to purchase these components. This Order Packet also provides guidance and clarity on the relationships between the seller, the buyer, and Florida DOT's TRIPS program.

The complete Contract # APTS-21-S-GMV is accessible from the TRIPS website <http://tripsflorida.org/> and contains the following sections:

- Part 1 - General Requirements and Conditions, and Contractual Provisions (Including all U.S. DOT Federal Transit Administration certifications)
- Part 2 - Technical Specifications
- Part 3 - Quality Assurance Provisions

For further information on the TRIPS program and Contract #APTS-21-S-GMV, please contact either Carlton Allen (850-921-7345) or Lazara Stinnette (813-974- 0695) at the University of South Florida, Center for Urban Transportation Research (CUTR).

Vendor Information

To place an order for component(s) under Contract #APTS-21-S-GMV, contact Alex Fay at GMV SYNCROMATICS

- **Address:** GMV SYNCROMATICS
523 W 6th St. Suite 444
Los Angeles, CA 90014
- **Telephone #:** 213-973-1209
- **Email:** alex@gmvsync.com
- **Contact Person:** Alex Fay

Procedures for Ordering

The following sections provide guidance to be used by the vendor and the agencies in the ordering, delivery, acceptance and payment for components procured under this contract. All parties are advised to fully review the full contract document available on the TRIPS website. Contract #APTS-21-S-GMV will be the governing document.

Agencies should understand that each order placed with and acknowledged by GMV SYNCROMATICS constitutes a contract between the purchaser and GMV SYNCROMATICS only. The contract implies no duties or responsibilities by the University of South Florida, Center for Urban Transportation Research, or the Florida Department of Transportation. The terms and conditions of this contract are to be administered and enforced by and between the ordering agency and the vendor.

ORDERING INSTRUCTIONS

Agencies must utilize the order form in this Order Packet to place their orders. Most agencies already have an idea on the type of component(s) they need. Agencies should work closely with GMV SYNCROMATICS to develop and finalize their plans. Based upon this consultation, GMV SYNCROMATICS will develop a proposed order based on the Agency's needs and transmit a copy of the plan to the Agency for verification and approval.

Contract #APTS-21-S-GMV is to provide Intelligent Transportation Systems (ITS)/Technology Solutions for Public Transit.

Included in this Order Packet is the order form that provides:

- Component options and descriptions
- Component prices
- Installation options and prices

Please complete the order form by placing the number of items in the corresponding quantity column. Multiply the dollar figure in the cost column by the number of items in the quantity column to calculate a total cost for that item. Enter that amount in the total cost column. Add the total cost column amounts together to arrive at the grand total for the chosen components. The grand total will be the figure used on the Agency's purchase order.

Once the details of the order are finalized, an Agency purchase order must accompany all orders placed with GMV SYNCROMATICS.

GMV SYNCROMATICS will provide written confirmation to the Agency and/or CUTR of the receipt of the order within seventy-two (72) hours of receiving the order with purchase order. At a minimum, the acknowledgement of the order will contain:

- The Agency's purchase order number
- The date the order was received
- The estimated delivery date (when available)

DELIVERY

Components must be delivered to Agency within sixty (60) days from receipt of purchase order.

The components shall be delivered with all Contractor/manufacturer's quality control checklists including final inspection (properly completed and signed by vendor. Other documents/items required at delivery include:

- Warranty Papers (forms, policy, procedures)
- Operators' manual
- Invoice (To include contract number, P.O. number, and agency name)

FINAL ACCEPTANCE

Delivery of the component(s) by GMV SYNCROMATICS does not constitute acceptance by the Agency. The component(s) will be considered "accepted" upon passing the inspection and once the Agency accepts the component in writing.

The terms of the contract state that an Agency has ten (10) calendar days after receiving the component(s) to perform a Post Delivery Inspection and issue either a "Letter of Acceptance" or a "Letter of Rejection" to VENDOR and the Florida DOT District Office contact. The "Letter of Rejection" will state and describe the areas to be found in noncompliance with the bid specifications, incompleteness, or any defective or damaged parts. Both of the letters are issued as a function of the DATACenter.

A component should be rejected if any items are missing, defective, altered, incorrect, or incomplete. In the event component(s) are delivered incomplete or contains any defective or damaged parts, the said parts will be removed and replaced by GMV SYNCROMATICS. New parts will be furnished and installed by GMV SYNCROMATICS at no cost to the Agency. If there is work involved, warranty or otherwise, to repair or place the component(s) in proper complete condition, such repairs will be made by an approved firm in accordance to the warranty provisions of the contract. Placing the component(s) in revenue service will automatically constitute "acceptance". In such circumstances, a "Letter of Acceptance" should still be issued to GMV SYNCROMATICS via letter of Acceptance of the components shall not release the Contractor from liability for faulty workmanship or materials.

PAYMENT

For all component purchases using state or federally funded grants, payments will be made according to the requirements of said grant.

Agency's may opt to approve a Milestone Payment Schedule as shown below. The Agency's Purchase Order shall include the Milestone Payment Schedule and will serve as confirmation of payment agreement.

Milestone #	Description	Value (\$ amount varies by order specifics)
1	Purchase Order Execution	System software licenses + 50% of Project Management Fees
2	Delivery of all Hardware	Value of hardware items delivered
3	50% Installation complete	50% of installation line items
4	100% installation and validation	Remaining balance of installation line items
5	Deployment Acceptance	Remaining Balance on Capital Items + Year 1 Annual Service Fees

Total proposal price is based on payment terms of net forty (40) days after acceptance of each component or milestone met, as described above. Agencies should note that failure to meet the net 40-day payment terms could result in the assessment of interest and other penalties. Terms are those shown in Price Proposal Form F of the contract document. A 2% monthly service charge will be added to all past due accounts.
